ISSUE # 1
Reports of My Death Have Been Greatly Exaggerated

By Dwight S. Allen
9690 SW Inglewood
Portland OR 97225

Well... they’ve done it again...

After my wife passed away last year, the Social Security Administration somehow managed to decide I had passed away as well. They erased all of my lifetime employment records and benefits. A three hour visit to the local SSA office cleared it up... I thought.

But the “fail-safe” mechanism in Social Security’s computer eventually realized an inconsistency in my record and my wife’s. It self-adjusted. Now, I was dead again... but my wife was miraculously resurrected. Who knew?

Another visit to the SSA and it’s all fixed.

I hope.

My point? Don’t fear government... but keep your eyes open and watch out for whatever they might pull next.

This time it’s the FTC...

A while back, the FTC changed the rules for sellers of business opportunities. They never tell anybody. They just make rules and you’re supposed to just know.

I didn’t pay much attention... but I’d heard the rumors about requirements that biz-op sellers, franchises, network companies, even schools and publishers of instructions on how to make money were going to have to furnish the names and contact info from ten of their previous customers before they accepted any money for their product. And there were specific waiting periods so your customer has plenty of time to change his mind.

All of us in biz-op marketing need to take these rules seriously. FTC has a lot of power. They can fine you, prosecute you for millions, force you to provide refunds to ALL your customers, confiscate your mail so you can’t fill your orders, even shut you down.

Big names in mailorder have already been prosecuted. I just recently read Lance Murkin’s case. Mr. Murkin was a big player in the work at home opportunity business since the nineties. But the FTC sued his ass and ordered him to refund $10 million worth of orders to his previous customers. Poor chap had to file bankruptcy.

I gotta admit... some of Lance’s promotions were a bit on the questionable side. But the guy is unquestionably a brilliant marketer. This just goes as a warning that all of us in this industry need to watch what we promise in our advertising. Play fair. Make absolutely certain our customers know exactly what they’re buying. And make sure all of our customers go away happy.

Know the rules...

If you sell any kind of offer... even one you get from someone else... you must know the rules.

And the FTC recently revised and clarified their rules. STAY SAFE!

It’s called the FTC Business Opportunity Rule. And it can have significant impact on anyone in the biz-op industry. But, by learning the rules and some simple adjustments to how you run your business you can stay clear of the FTC and not have to worry about it. If you subscribe to Ned Johnson’s Direct Response Quarterly Newsletter, you already got the highlights. (Contact me for free details on the DRQN newsletter.)

I don’t want anyone I know to get into hot water with the FTC. So I put together a special report to help you on this. The package includes the entire 5 page text of the new Revised Business Opportunity Rule and some guideline suggestions for operating your business and marketing without getting in trouble.

With the economy still upside down and jobs scarce, the market for business opportunities is as big as ever. Get this report. Know what you’re doing. Just send me $5 to cover the printing and shipping. Ask for the Biz-op Rule Report.

Hello!

I want to thank you for letting this issue come to your mail box and I hope you will welcome it! Never easy to start a publication but with so few places to advertise it seemed necessary to offer a place to place inexpensive ads. From time to time we will offer special offers and hope you will take advantage of them!

Summer might appear to be the worse time to advertise but the fact is there is less competition! It is a good time to start preparing for the autumn rush as well as test a few of your offers. It has been said it takes three times before people notice an ad. True? Not sure but it will definitely make your offer seem stable.

Sending in clear ads is very important as well as making the font easy to read. People don’t want to struggle trying to read an offer and will move on to one that they can easily read. It doesn’t pay to cram 60 words into a one-inch ad! It might save you money but it won’t get the response you want.

If you are reading this far then you get a reward! If you send in a one-inch camera ready ad we will put a second one the same size in the same issue FREE! This is a $4 savings. Send in your ads before September 15, 2016. ONLY one per customer please.

See you next issue!

To greatly multiply your 20Plenty, Famous50, or Power To Make Wealth results, all you have to do is let people know about these super income-generating programs...and the most effective way to do that is by direct mail. Remember, we always help by sending out 50 invitation letters for you when you join either of the first two programs, AND we send you 120 names on mailing labels with your Master Copy of any invitation letter. So why not join this FREE STAMP FREEDOM™ program and do your mailing with free stamps?

To join FREE STAMP FREEDOM™ make just three copies of this sheet. (Complete the form at bottom with your own name and address before you make your copies.) Now send one book of 20 Forever stamps (20 is plenty) to the FIRST address shown on the list below; fold your stamps inside one of your copies, address an envelope, and mail it to the FIRST name and address. Address a second envelope to the LAST name and address shown below; write "I have joined FSF from this invitation," and mail your second copy of this sheet to the LAST person below. Send your third copy to the FSF office address below so we can quickly get your complete Welcome Package out to you, containing your personalized Master Copy of this FREE STAMP FREEDOM™ flyer and other information.

Make photocopies of your new Master Copy when it arrives, as many as you can. (But do not feel pressured to get lots of copies out all at once. It works just as well to mail a few at a time, perhaps five or ten a day, and it’s very little work when you do it this way.) Just include this FREE STAMP FREEDOM™ letter with your income program invitation letters. You will be very pleased with the results as people begin to respond to your mailings.

NOTE: If everyone who joins FREE STAMP FREEDOM™ gets only 4 new members, you will receive 256 books of stamps, or a total of 5,120 stamps! This means that 256 people are going to send you a book of 20 stamps in the mail. If you get more than 4 new FREE STAMP FREEDOM™ members, naturally you get more stamps!

Once you see how well FREE STAMP FREEDOM™ performs its mission of making life a little easier for you and other members, join it again by following the same steps as above.

Dear Direct Mail Marketer,

We want to take this opportunity to introduce you to our new direct mail marketing program and invite YOU to be one of the first to participate. Our program is simple and our product and marketing technique proven, so no hype needed here, just some facts and the entire program on a single flyer.

We are in the direct mail marketing business, specializing in the income opportunity industry. Many of you may already be familiar with us, as we have been in business selling leads and marketing materials for years. To be more exact, we have over 30 years experience, do all of our printing in-house, and maintain a database of close to 500,000 income opportunity enthusiasts that can be used to promote any opportunity you may be involved in - and we update and clean this list on a daily basis.

To put it simply, our business is helping you build your business, by providing the highest quality mailing lists available in this industry! That said, here is what we have to offer.

We are just now introducing our 100% Commissions Mega Money Leads Dealer Program. It is a simple program, all we are doing is selling our leads through registered dealers and paying our dealers 100% commissions on new customer's they refer who purchase our "special lead blocks". The entire program revolves around our "Mega Money Leads - 100% Commissions mailer" and our "Mega Money Lead Blocks". The enclosed mailer pretty much lays out the entire program. But here are some highlights:

- **100% commissions** - All anyone has to do is join us as a dealer and purchase the lead blocks they wish to promote. We will then provide them with THEIR OWN custom mailer, which will include THEIR lead blocks. Now, all they have to do is mail THEIR mailer to other opportunity promoters and earn 100% commissions every time their lead blocks are purchased - and commissions are paid by money order made payable directly to them!

- **Hands off opportunity** - When we receive orders, we immediately forward the commissions (money orders) to the dealers and WE FILL ALL THE ORDERS!

- **Affordable** - Our program is driven through "lead blocks" - blocks of leads that range from 200 leads to 10,000 leads. Leads cost just 10¢ each or $20.00 to $1,000.00 per block depending on the block selected. With blocks starting at just $20.00, anyone can afford to participate—and everyone promoting any opportunity by mail NEEDS LEADS!

- **Unlimited commissions** - When you purchase any block of leads, you become the dealer for that block of leads on YOUR mailer permanently. As your mailer circulates you can get paid every time that block is purchased, no matter how many times it is purchased - and you can purchase as may blocks as you choose on your mailer!
• **Leverage** - Your goal is to purchase as many blocks of leads as possible on YOUR mailer, so you are the dealer for these blocks. This way, as others purchase one of your blocks from your mailer, they become the dealer for this block of leads on THEIR mailer, but any remaining blocks that belong to you will remain on their mailer, so they are now promoting for you. This can happen repeatedly, so, in time, you can have hundreds of people promoting your lead blocks on their mailers. The key is to control as many blocks on YOUR mailer, so that some of your blocks remain on other dealers mailers!

• **Strategy** - To get started, you want purchase as many blocks as possible. At least one low priced block - $20 to $50; a medium priced block $60 to $90; and a higher priced block - $100 to $1,000. This helps you cover every price range, increasing the chances of more sales and commissions. Then, as you start receiving commissions, purchase more blocks from YOUR mailer. With each purchase, you will receive a new mailer which will also list these new blocks. Now, continue mailing using this new mailer. Repeat, repeat, repeat, until you control ALL the lead blocks on your mailer. That should be your goal. Because, from that point forward, every sale from you mailer WILL PAY YOU! And every new dealer will now be promoting your blocks!! The income potential is unlimited!!!

**You Can Be Among The First To participate!**

**The “First-In” Advantage!**  As we said, we are just now introducing this program (May, 2016), and YOU have the good fortune of being able to be among the first to participate. And as you may know, simply being among the first to participate in an opportunity is a clear advantage, especially since the early participants are usually top promoters who will collectively be helping each other promote one another’s lead blocks, creating a perpetual mailer system that, once launched, will be hard to stop! Simply put, YOUR success is practically guaranteed!! Finally, because we sell leads, you have no extra lead expense to promote our opportunity!!!

Well, enough said. We hope you can see the huge potential in our program and the advantage of joining with us now at the very beginning, and look forward to partnering with you and sharing in each others success.

Your Partners in Success,

All of Us at Smartz Marketing

P.S. If you have any questions after reading through the enclosed promotional mailer, please feel free to call me, Robt Martz, on my business cell phone: 1.915.929.5284. I am available most days 9:00 to 7:00 MST.

P.P.S. We forgot to mention, as a dealer, you can also save 50% when ordering leads from our general leads database, as well as earn residual commissions with our 50/50 reorder profit split, as your referrals reorder our general leads.

However, you are not required to join any of the higher amounts, as this is NOT a requirement, only suggested.

The monitor will call to confirm that you sent your funds to your sponsor, as well as when you receive from your members, once you are a member. This keeps the program “Honest” and ensures that all receive. If you choose to not place your phone number below, that’s fine, but you can’t be called to confirm commissions received. Hello future team member,

We have all had the experience of an unsuccessful program in the past. Frustration, disappointment, sense of failure & money lost promoting and trying to recruit into these programs.

**Everything Changes – Right Here – Right Now.**

This is about a company called *Quarterly Connection*. Great plan, marketing materials and solid management. Plus, everyone is working together to help each other. Unlike MLM where everyone builds wide because it only pays tiny commissions through 3 or 4 levels…. with this program, you get paid through infinity.

**4x4 expandable forced matrix:**

- Level 1 = 4 members = $5 per member = $20
- Level 2 = 16 members = $10 per member = $160
- Level 3 = 64 members = $15 per member = $960
- Level 4 = 256 members = $20 per member = $5120

Total income with a full matrix is **$6260** and this does not include the bonus that pays $2 or $5 through infinity on every member in your organization. Also, there is a $70 fast start paid daily for every member you personally bring in.

When you expand your matrix to 5x4 (5 members on your 1st level) your income with a full matrix is **$14,650**.

You will get the complete info pack that will explain everything for only $3. This small fee helps cover the shipping and handling costs. Once you receive all the info, you will see that the cost to get started is so small that anyone can afford to join. I’ll be there to help you every step of the way.

I want you to **JOIN** my team and we will work together to build your downline. Unlike some sponsors you may have experienced in the past, you can call me or email me anytime. You are joining my team and you will have access to co-op advertising campaigns & more. I will do everything I can to make sure you succeed; your success is also my success. That is my promise to you.

Please send for your information kit right now, I look forward to working with you.

Most Sincerely,

William

William Troiano

MIKE G HAS DONE IT AGAIN!!

HE HAS GIVEN YOU A YOU OPPORTUNITY OF A LIFETIME

Just you don't know Mike G is. He is the founder and CEO of The ICANETWORK and #1 in three different network Network Marketing Programs Worldwide. He has been told by network companies owners that he has put 11,000 people into a single network marketing program that sold for $79 and $49 to be a member.

These are people that he directly signup. He did this by Mailing To His List which is over 400,000.

AND, NOW HE HAS DONE IT AGAIN!!!!!
HERE COMES ICANGET2

ICANGET2 is a new 2X14 forced matrix which was launched on March 17, 2016. So, you see, you have plenty of time to get in to take advantage of his marketing efforts. With his reputation, his contacts, and his list, this program has the potential to set records. And you have the opportunity to get in at the beginning.

He is at the #1 spot and if nobody every joined it ever which would never happen, he would eventually fill the matrix by his self. Remember his record? 11,000 people just in one program? A 2x14 matrix has 32,766 people in it... he can fill that on his own. Not overnight, it might take some time but he can do it. But he won't need to do it by himself. And neither will you!

THERE ARE FOUR WAYS TO MAKE MONEY FROM THIS EARTH BREAKING PROGRAM!!

1. From Mike G's spillover
2. From my spillover
3. From your upline spillover
4. From your marketing efforts.

So, you can see that the potential to make money with this program is tremendous. But, you have to take the first major step if you want to take advantage of this life changing opportunity.

You have to join Mike G, me and the thousands of people that have joined and will join this program.

To learn more from Mike G himself, just go to http://onyalist.com/mike2/teambillca.

Let's add it up: $200 + $800 + $3200 + $12,800 = $17,000!!

And all everyone did was mail...

$3200 + $12,800 = $16,000 + $340,000 each pays you $50 = $200 + $800 + $3200 + $12,800 = $17,000!!

Hi, as the author of this funding letter, I prefer to remain anonymous, as I am not looking for recognition, nor do I wish to profit from the participation of everyone else. The purpose of this letter is to help introduce people who understand the strains of financial hardship and who are willing to partner with each other to help each other with a small financial gift...and, yes, gift funding is legal!

I'm sure you are aware of the many funding sites on the internet where you can request funding for just about anything, from personal financial needs to business funding requests. These are basically gifting sites that help average, everyday people raise monies they need—over a billion dollars and growing. But what about those of us who are not comfortable with the Internet? This is my solution to help people get funding who are not comfortable with the Internet—a direct mail funding approach, because, anyone can mail letters!

This is not a new approach, but most programs have problems. Here are my solutions:

Problem 1—The first and biggest problem is that most are created and run for personal gain. You know what I mean. The originator, who is usually the so-called monitor, expects to get paid by everyone, on every transaction. Their plans are designed to enrich them.

Solution—A program where only the participants get paid with 100% of the monies going to them. (No monitors getting paid on every transaction.) But, to insure a long-term plan, use a third-party, professional direct-mail marketing firm to manage the plan.

Problem 2—The cost to participate is too high (usually $100s or $1,000s), so the average person can't afford to participate and the plan quickly comes apart.

Solution—A plan designed for success, with several affordable participation cost levels. Our plan allows people to get started at a cost that THEY can afford. Once they start realizing success, they can then choose to participate at other cost levels increasing their potential funding success.

Problem 3—Too many people in the plan. You have to pay 5 to 10 people, sometimes more, then you rotate through to get paid. Yes, the money looks good on paper, but it doesn't work because most people don't do their share of promoting. They simply sit back and wait for others to promote.

Solution—Five (5) individual partnerships of just two (2) people each, each sharing 50%-50% in the funds of their chosen participation levels. But all five (5) partnerships are represented and promoted on each mailer, automatically creating a mailing co-op which leverages the number of mailings and exposure for all participants, as participants in all five partnerships mail to promote their partnership. And you never fall off YOUR mailer, you are there forever. And you can even participate in all five (5) partnerships, guaranteeing you always get funded—AWESOME!

Problem 4—In many plans, gift payments are mailed directly to participants. This may sound like a good idea, but creates a huge privacy risk, exposing your name and address to thousands. And anyone can simply remove and replace your name with theirs without making any gift payments, leaving you and everyone else with no possible chance of receiving your gift payments.

Solution—All gift payments are made payable to participating members but are mailed to our third-party management firm, who then forwards them to appropriate members. This protects your privacy and insures receipt of your gift payments, since all gift payments are made payable to members and not the managing firm.

Expectations—I designed this plan based on the cost of today's postage (by far the biggest promotional cost) and a realistic response rate of just 1%. And, because everyone's goal should be to eventually participate at the $50.00 Funding Level, I have used the $50.00 Funding Level for the following illustration. So, assuming you and your partners are participating at the $50.00 Funding Level, the $50.00 gifts from your personal mailings pretty much cover your promotional costs. Then the $50.00 gifts from your partners mailings, as well as gifts from any other funding levels you may participate at...well, that's your pay off!

Now, I can't guarantee any kind of return, but let me illustrate the possibilities if:

- Everyone just mails 300 letters each, expect up to $600.00 or more in funding gifts.
- Everyone just mails 500 letters each, expect up to $1,500.00 or more in funding gifts.
- Everyone just mails 1000 letters each, expect up to $5,500.00 or more in funding gifts.
These figures are based on a 1% response rate and $50.00 gifts. You can do the calculations based on 2% or 3%. Think of the possibilities if you share in several, or all, partnerships on your mailer, or if some of your partners mail thousands of letters...you’ll be surprised, many will. And, if you need more funding, you can just mail more. You are in control. You can keep the money coming in indefinitely!

THE COST TO PARTICIPATE depends on the number of Funding Levels you wish to participate in. There is a 1-time cost per Funding Level of $20.00, $40.00, $60.00, $80.00 and $100.00. Plus, a $10.00 administration fee, which includes distribution of money orders and your custom camera ready letter.

GETTING STARTED:
1. Select the Funding Level(s) you wish to participate in and make two (2) money orders (no checks) for the appropriate amounts made payable to that level’s partners listed below:

- $10.00 Funding Level = A total of $20.00 ($10.00 to partner 1 + $10.00 to partner 2)
  Partner No. 1: Colleen Kennedy = $10.00 Partner No. 2: SKYY = $10.00

- $20.00 Funding Level = A total of $40.00 ($20.00 to partner 1 + $20.00 to partner 2)
  Partner No. 1: Colleen Kennedy = $20.00 Partner No. 2: M. Martnez = $20.00

- $30.00 Funding Level = A total of $60.00 ($30.00 to partner 1 + $30.00 to partner 2)
  Partner No. 1: O. Arciniega = $30.00 Partner No. 2: M. Martnez = $30.00

- $40.00 Funding Level = A total of $80.00 ($40.00 to partner 1 + $40.00 to partner 2)
  Partner No. 1: T. Bowers = $40.00 Partner No. 2: O. Arciniega = $40.00

- $50.00 Funding Level = A total of $100.00 ($50.00 to partner 1 + $50.00 to partner 2)
  Partner No. 1: O. Arciniega = $50.00 Partner No. 2: SKYY = $50.00

Note: If selecting multiple Funding Levels held by the same person, you may issue one money order for the total of that persons funds.

2. Complete this section and return entire page with: All money orders, $10.00 for your camera ready flyer (and four (4) Forever Stamps to forward the money orders and mail you your camera ready flyer). Your camera ready letter will list Partner No.1 as Partner No. 2 and YOU as Partner No. 1 on all Funding Levels you select. Number of levels selected: __________. Total funds enclosed $____________ Money orders - NO CHECKS. $10.00 fee + stamps.

3. Mail everything to: Smartz Marketing • PO Box 971618 • El Paso TX 79997

Please Note: Smartz Marketing has been chosen to administer the program because they have been in the direct-mail, income opportunity industry over twenty years, are reputable, can be depended on to provide long-term support, and have offered to provide special pricing on leads and printing (optional). However, other than providing the support services stated herein, Smartz Marketing does not directly participate in this program.

4. Upon receipt of your letter, print a few hundred copies and mail to other income opportunists and soon you should start receiving your funding gifts. Once you start receiving your gift payments, start investing a portion of these gifts in additional mailings. And, if you choose, you can also add additional Funding Levels to your mailer and then continue mailing with your new multiple Funding Levels mailer. Remember, the more Funding Levels you have on your mailer and the more you mail, the more you will receive!

That’s it. It doesn’t get any simpler than this. But remember, give your gifts freely from the heart because you care and want to help others in financial need and your generosity will be repaid many times over. Give and you will receive—It’s gifts of kindness that fuel the universal circle of hope!

What to Do When Your Ad Doesn’t Work...

Copyright 2012 Dwight S Allen
9690 SW Inglewood
Portland OR 97225

Trouble with most people... they run a bunch of ads or mail a bunch of flyers trying to sell the product or program they’ve chosen. Then, when they don’t get any orders, they ditch everything and go get another program to sell.

And they do it all over again... run ads... mail flyers. Trouble? They go on using the same type of ads or letters as before.

Find out why your ad didn’t work...

I had a high school math teacher who was ambidextrous. He used to grasp a piece of chalk in each hand. Then he started writing an equation on the left side of the board using his left hand. When he reached the center of the room, without missing a stroke, he started writing with the chalk in his right hand and continued across the board. When he reached the

solution, he turned around and faced the class, reached backward and struck the blackboard with one piece of chalk or the other, and exclaimed, “Duck soup!”

- If competitors are selling something similar with success, it’s not that people don’t know your product exists.

- If your product doesn’t do what it’s supposed to... then, you need to get the heck away from that product.

- Is your price too high? Or not high enough for profit? Hmmn...

- Is your market such that it’s unreasonably biased towards a different way to solve the problem... or maybe those folks simply can’t believe anything this good is possible.

Remember when video games first came out. (Well, maybe some of us “fogies” still remember.) Anyway, Arari, or whoever it was that created the Pong game where the players just pushed buttons to make a light dot bounce back and forth across the screen like playing ping pong... Anyway, their braniac technical people had already figured out how to make incredible interactive video games in full color. But their marketing gurus knew people weren’t ready for it. So, they launched Pong on the market, let it take off and get people ready. Then they gradually introduced new more complicated games like Tank, and then some sci-fi thrillers that let the player experience flying through enemy space getting points for blasting a path through enemy alien spacecraft, meteor showers, and bombs. Eventually, they got to Pac-Man, Donkey Kong, and... the rest is history.

So... what are you gonna do about it?

Take a good look at your competitor’s ads and products. Talk to their customers. Find out why they like your competition. And try to figure out where your competition’s weakness is.

Now... how can you position your product to satisfy that weakness? If you can do that... you’ll possess the powerful secret of crushing your competition all the way to the bank.

And your competition will show you exactly how to do it...

Listen to what customers like or don’t like. Then watch how your competitors are handling that in their ads. Just like shuffling cards, pick out the things that are being done right and the things being done wrong.

Now, make sure your ads are doing it all right... and never the wrong stuff.

“Duck soup!”

BASIC PRINT & MAIL

Beginners don't seem to understand the basics of print and mail. They somehow believe a dealer will print their flyer, stuff it in an envelope, add a mailing label and put postage on it for them with just their single flyer enclosed. This would put a dealer in debt fast at 49 cents a stamp! So what a dealer does in order to give you a good print and mail rate is to add your flyer to other people’s flyers also known as co-op advertising and mail in the same envelope. They normally add a few of their own offers as well in hopes of getting some orders as well. Same goes for pre-printed postcards. A dealer will add those to the co-op advertising packet as well. This allows the customer to get their offer out at a cheaper rate than if they used their own envelope, mailing list and postage. It is a cheap way to get your offer out to a lot of people at once. Just don’t expect people to be answering your offer right away! Some people sit on offers for weeks, days, months, and years. Yes, we still get orders from our first ad which was printed nearly 10 years ago!
