Hello!

Welcome to our third issue of this publication. Quite a few people have written encouraging us to make this a monthly magazine. At this time, we cannot say until we look at the response by end of this year. As you probably know to publish a magazine requires money and time. This magazine is not a bunch of photo copies staples together and sent to 100 people. It has a large circulation and we use very professional printing company.

The special this issue will please our post card advertisers! You may submit as money camera ready postcards for \$15 per side to published in the next issue. The deadline for this offer is December 12, 2016. If you want a confirmation enclose an LSASE please.

We are only responsible for our own ads. If you have a problem with an advertiser, please contact them with documentation so they can research your order and respond. If you do not get what you ordered after contacting the advertiser send your documentation to Ned Johnson who prints a quarterly publication about such scams. His address is MediaTek, N Johnson, 340 Hickshallow Road, KINGSPORT TN 37660

Am wishing everyone a pleasant autumn.

See you next issue!
