The Mystery of Money (MOM) Flyer

Dear Mystery of Money/Million Dollar Program participant.

In addition to using postcards as a way to attract people to you and the Million Dollar Program, you can also use "The Mystery of Money Flyer" as an additional way to attract people.

or place
It's up to you.

The MOM flyer can be used in advertising publications or for reverse mailings or by utilizing print-and-mail advertisers. You can even hand them out them around town or even mail them out as a separate mailing.

As you probably know, some people respond to postcards where others respond to flyers like the one attached or on the back of this letter. It never hurts to have a full arsenal of strategies when promoting any program or business.

Simply use the same Mystery of Money ID# that you were assigned for your postcard mailings. JAN-L Marketing, Inc. will treat your responses the same way as we do for your postcard handouts/mail outs!

Good luck to you and your future MOM/MDP partners!
